STATE OF ARIZONA SHIPPING CONTAINERS FOR SALE

Attention Arizona counties, cities, school districts, fire departments, towns and even some nonprofits!

Do you need affordable storage that keeps your stuff secure and safe from the wear and tear of weather?

The Arizona Department of Administration (ADOA) is offering a great deal on surplus shipping containers to governmental organizations and nonprofits! For a flat fee of \$2,000, you can purchase a shipping container (40 feet x 8 feet wide).

Take advantage of this great deal that has already been useful to dozens of Arizona fire departments, parks and recreation departments, schools and more to store

- Tools
- Equipment
- Construction supplies
- And more

Containers are available for the public to buy at auction, but governments and nonprofits get a special flat fee. ADOA can help coordinate delivery (delivery costs depend on how far the container is being shipped).
