

Vision: Excellence in Arizona government with leading-edge enterprise support

Mission: To deliver effective and efficient enterprise support services to our agency customers, allowing them to focus more on their unique missions.

Agency Description: As the administrative and business operations hub of state government, ADOA provides medical and other health benefits to state employees, administers the state personnel system, protects employees and mitigates hazards, maintains office buildings for employees to work in, purchases goods and services needed to conduct business, provides information technology and telecommunication services for employees, develops statewide accounting policies and procedures, reviews and maintains oversight of regulations, and much more. These centralized support services enable state agencies to focus their efforts on their own unique missions.

Executive Summary: ADOA's customer-centric support creates strong agency partnerships which leads to the adoption of Enterprise standards while utilizing continuous improvement methodologies. Key areas for the Strategic Plan year are outlined below.

- 1. Enhance Customer Experience:** To build an inclusive enterprise partnership with the private and public sectors to serve the citizens of the great State of Arizona.
- 2. Drive Enterprise Efficiencies:** Focus on key business process utilizing Arizona Management System. Maximize the deployment of innovative technologies and security controls.
- 3. Transform the Employee Experience:** Provide the necessary tools and resources for the Arizona Department of Administration and State of Arizona workforce to attract and retain a high performing workforce.
